## Free for Stomach and Bowels

We are in receipt of letters from Mrs. Eva Gaskins, 304 Madison St., Topeka, Kans., and Mr. P. H. Gavelas, Wagoner, Okla., as well as many others, telling about the wonderful results they have secured in the cure of their stomach and liver troubles by the use of Dr. Caldwell's Syrup Pepsin.

This remedy, as all readers doubtless know, has been before the public for a generation and is now being more extensively used than any other remedy for stomach, liver and bowel complaints. According to reliable testimony, it seems to be a very quick and lasting cure for constipation, indigestion and dyspepsia, liver trouble, biliousness, headaches, sour stomach, gas on the stomach, drowsiness after eating and similar disorders. It is a liquid with tonic effect, and so mild and gentle in action that a child as well as a grown person can take it, in fact, it has no equal for children, women and old people.

It arouses the flow of gastric juice, and by a peculiar action trains the stomach and bowel muscles to again do their work naturally, and in time medicines of all kinds can be dispensed with. A free sample bottle can be had for trial by sending your address to the doctor, for in this way Mrs. Gaskins, Mr. Gavelas and many others first learned of the cure. Later, when satisfied it is the remedy you need, do as others are doing and buy it of your druggist at fifty cents and one dollar a bottle.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him for further information, or for the free sample address him Dr. W. B. Caldwell, 841 Caldwell Building, Monticello, Ill.

## New Way Knocks Rheumatism

### D-M-F Proves Startling Success.

#### Guaranteed Absolutely As To Results.

The problem of ridding the system completely of uric acid deposits which cause rheumatism has been solved, as stated by many chronic sufferers who have used it, by the novel remedy called D-M-F, perfected after 30 years of exhaustive tests.

Its unique action is one of the features which most attracts the attention

tion of the sufferer using it. Unlike any other treatment of its kind known, it produces results or "signals" by which the patient has been able to clearly foretell the complete eradication of the disease.

D-M-F has been remarkably effective in every form of rheumatism, a feature which is extremely unusual.

C. W. Bacon, M. D., one of the most prominent physicians in Oklahoma, known for his success in treating rheumatism, says:

"The cases for this test were selected from the various chronic forms commonly known as incurables, and all forms of the disease have yielded to the D-M-F treatment. Convinced that with D-M-F there are no incurable forms of the disease, I am now ready to stake my professional reputation on my ability to cure all forms of rheumatism with this treatment."

The best news of all for the rheumatic is that D-M-F is guaranteed as to results.

D-M-F is singularly free from any opiates or dangerous drugs of any description, and is easily assimilated by the weakest stomach.

Full explanations of the wonderful action of D-M-F on rheumatism, lumbago, sprain and neuritis, are packed with every bottle. Begin taking a bottle of D-M-F today, and you may safely drop every other rheumatism treatment you may now be taking.

Get D-M-F at your druggist at \$1.00 a bottle. If you are satisfied with it, as you will, get 6 bottles for \$5.00, and get rid of your affliction. If your druggist cannot supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 215 Lincoln Ave., Chicago, Ill. The first bottle will convince every sufferer.

"D-M-F" is recommended and sold in Mayville by J. James Wood & Son.
